THE POWER OF ONE. THE MIGHT OF MANY.

JOIN THE ASSOCIATION THAT'S DEDICATED TO HELPING OILHEAT INDUSTRY COMPANIES LIKE YOURS COMPETE AND THRIVE

The *power of one* means the opportunity is *yours*. Join today and strengthen your business through the *might of many*. The combined talents and leadership of our members make COHA Ontario Chapter a powerful voice in public policy and the premiere resource for business development, technical training, marketing assistance, plus networking.

YOU NETWORK, TRAIN, IMPROVE OPERATIONS, DEVELOP YOUR BUSINESS. WE HELP

TASK FORCES • TECHNICAL HOTLINE • MARKETING • EDUCATION

By becoming a member of COHA Ontario Chapter, you are joining a powerful group of influencers including fuel oil distributors, service contractors, equipment manufacturers, wholesalers and oil companies. Established in June 2004, to address the specific needs of the Ontario oilheat market, the Chapter devotes its resources to four key areas of activity: Technical Development and Training, Risk Management and Insurance, TSSA/Regulations, and Marketing.

YOUR VOICE. Led by the TSSA/Regulations Committee, COHA Ontario represents the provincial oilheat industry on government and industry task forces, ensuring members' concerns are heard by regulators and decision makers. Plus we stay up-to-date on all regulatory matters and we keep our association members informed.

YOUR TRAINING SUPPORT. Under the auspices of the Technical Development and Training Committee, members have frequent opportunities for education and professional growth. Instructional training seminars are offered regularly for upgrading technical knowledge and skills, plus business development. As a member, you get front-of-the-line access and especially low admission prices. COHA Ontario provides quality teaching from some of the most experienced people in the oilheat industry.

YOUR TECHNICAL RESOURCE. Members can download valuable technical tools from our website, or call the free Tech Helpline for fast technical assistance, plus train with the best.

YOUR INFO LIFELINE. Be aware of the latest industry news, trends, plus Chapter activities through COHA Ontario's *Update Bulletin*, delivered by mail and email. Plug in and stay connected to the industry by participating in information teleconferences, event networking, webinars and more.

YOUR MARKETING. The association's strategic consumer marketing initiatives effectively position oilheat in today's energy industry — which helps build *your* business. Want professionally designed promotional materials to communicate effectively with your heating oil customers, and protect your

market share? COHA Ontario funds development of statement inserts, flyers, postcards, truck decals and much more so members can affordably and persuasively reach out to their customers with frequency and impact.

YOUR WEBSITE—YOUR TOOL. Think of the inviting and idea-packed Chapter website as a customer relations tool. Direct your customers to the detailed, helpful information about oilheat benefits, furnace upgrades, rebates, whole-home energy conservation and more. And use it yourself for training links, publications, plus connecting with colleagues through the Member Directory.

AND, YOUR SAVINGS! The icing on the cake: members-only pricing means big savings on training courses, code manuals, standard inspection forms, and much more.

CANADIAN OIL HEAT ASSOCIATION

STAY INFORMED ON INDUSTRY ISSUES AFFECTING YOUR BOTTOM LINE

Your oilheat association understands the complexity of your business. Helping you meet the challenges and operate more profitably is why we are here.

Good decisions are not made in isolation; they are made by people who are plugged into the industry and stay informed. For many, membership with COHA Ontario is their communications lifeline to the oilheat industry. Mailings, email bulletins, teleconferences, webinars, face-to-face networking and training sessions, plus COHA Ontario's own website are just some of the ways we help members stay in touch with the latest legislation, trends, best practices and related industry activities.

We invest staff and volunteers' time, plus all of the association's resources to equip our members with the best knowledge, the best marketing tools, the best practices, and the best representation before industry regulators. Our bottom line: We want our members to succeed.

WE INFLUENCE POLICY MAKERS ON YOUR BEHALF

COHA IS YOUR VOICE IN PUBLIC POLICY. CONTRIBUTING YOUR SUPPORT HELPS SHAPE THE FUTURE OF THE ENERGY INDUSTRY

COHA Ontario has a proven track record with legislators, regulators and standards writing organizations. Led by the TSSA/Regulations Committee, the association has representation on the CSA B139 Committee and P9 Technical Sub-committee, the TSSA Liquid Fuels Advisory Council and Risk Reduction Group, and provides important input to the Ontario Building Code regarding efficiency of oil-fired appliances. Membership with COHA puts you in front of government and policy makers including TSSA, Ontario Ministry of Energy and the Environment, and Ministry of Municipal Affairs and Housing. Membership is your chance to have a say.
