Risk Management & Insurance Tools from COHA Ontario

Robert Fortin, MacEwen Petroleum Inc.

“ We chose the COHA Ontario Program for better coverage and savings ... ”

“Not only is the COHA Insurance program very comprehensive; providing better coverage than we had before, our insurance premiums are lower. The speedy response of the claims adjusters is also saving us a lot of time building the claim file with important facts. Considering the insurance claims’ amounts these days, this top-notch expertise is critical.”

Jim Venn, J.F. Venn Ltd.

“ How much my broker knows is important to me ... ”

“It quickly became clear Marsh Canada has better knowledge of the oilheat business than any other insurance broker I’ve ever talked to. When I mention *specialized contractor work* that I do, the Marsh representative clearly understands. That’s impressive. It’s important to me that my broker knows the business like I do. It saves me valuable time and gives me peace of mind.”

Johnathan Couture, Armand H. Couture Ltd.

“ Switching insurers is scary, but Marsh made it smooth and easy ... ”

“Substantially reduced cost of insurance was the motivator to go with the COHA Ontario program, but switching can be a worrisome step. Especially after 31 years with the previous broker. But Marsh took the worry out of it. Their response time to questions or issues is amazing, and the professionalism with which the business was transferred confirmed it was the right decision for us.”
